Working experience

- September 2021 – June 2022: I worked as a Professional Development teacher assistant and mentor at Erasmus University. This allowed me to improve my presentation and leadership skills through the multiple workshops I had to give.
- September 2018 – March 2020: I gave weekly Spanish conversation lessons to teenagers.
- July 2018: 2 weeks at Primark – Clothing retail store in Brussels, Belgium. I was part of the cleaning team during opening hours. This allowed me to see the organisation of a store and learn about the concept of fast fashion.
- June 2017: 1 week at G&P Cosmetics – Hair cosmetics industry San Sepolcro, Italy. This discovery internship across the different departments (R&D, Operations, Marketing, Administration & Finance, Sales) allowed me to gain an overall view of a company and all its activities.

International and intercultural experiences

- Raised in a dual culture household through my French mother and Argentinian father.
- Born and raised in Barcelona, Spain until the age of 12; then moved to Brussels, Belgium
- Leisure trips to, Italy, Germany, Canada, Cuba, the USA, Greece, the UK.
- Stay of two months in Ottawa, Canada in summer 2018, including a “Girls Guides” summer camp

Main skills and personal achievements

- Sociable/assertive/team player/determined/organized/open-minded
- Raised funds as an active member of the Red Cross club in my high school.
- October 2020 – July 2021: I was part of the association Rotterdamse Helden where I volunteer and support elderly people.
- June 2022: I organized the last team building event for my colleagues and myself at Erasmus University.
